BELLMORE MEMORIAL LIBRARY

Reading Room Policy

Some patrons come to the Library specifically in need of quiet or silent areas to concentrate. The Bellmore Memorial Library has a strong commitment to provide patrons with a variety of library use spaces. The Reading Room of the Library is an area that has been designated for quiet use of library materials (i.e., laptops, notebooks, books, magazines and newspapers). In order to provide and maintain an atmosphere conducive to these solitary activities conversation is to be kept to a minimum and conducted in whispers. If you must converse either in person or on your phone, please leave the Reading Room. Per our Maintenance of Public Order Policy, cell phones should be set to silence/vibrate or turned off. Cell phones may be used in the lobby area. Patrons are expected to respect the needs of others and observe the Reading Room requirements.
